PATH was established as a 501c3 nonprofit organization in 2020 by a small group of local silent sport enthusiasts. The group was formed to expand on the groundwork laid over the past (30) plus years by the Flambeau Nordic Ski Club. The purpose of PATH is to seek out, develop, maintain, support and promote silent sports trails, activities and facilities in Price County on federal, state, county and school properties for recreational use by the general public. A major portion of PATH's funding come through membership and donations. We greatly appreciate your support. Donations are tax deductible, and formally recognized.
